## Disclaimer

This manual for the project SPES has been prepared by the University of Amsterdam (UvA), as part of Task 8.3 “The transition from below” / Work Package 8. This task aims to elicit and assess the collective dimension of citizens’ perceptions of the transition, also exposing the process of forming shared opinions.

This deliverable contains original unpublished work except where clearly indicated otherwise. Acknowledgement of previously published material and of the work of others has been made through appropriate citation, quotation or both.

The information and views set out in this report are those of the authors and do not necessarily reflect the official opinion of the Commission. Neither the Commission nor any person acting on the Commission’s behalf may be held responsible for the use which may be made of the information contained therein.
